# *Founder*

**Susan L. Case, BFA honors, RADRT, IDTA, DMA.**

Susan graduated in 1982 with a BFA in Dance from York University. Upon graduation she taught and performed with the Ottawa Dance Center & Theatre, in Ontario, Canada. In 1986 she founded the New England School of Dance in Goffstown, NH. She trained countless dancers in New Hampshire before passing the role of Artistic Director to her daughter Alison.

# *Artistic Director*

**Alison Hart, BFA, MA.** Alison began her training with Susan Case at the New England School of Dance in 1990. She studied many genres of dance and successfully examined in the Royal Academy of Dance Syllabus as well as receiving many performing opportunities with the school. As a result of her positive experience at NESD Alison chose to continue her dance education at York University In Toronto, ON where she earned a Bachelor of Fine Arts in 2005.

Alison later continued her studies at the Laban Conservatory in London, UK where she graduated with a Masters degree in Choreography. In 2010 Alison returned to New Hampshire where she began teaching and performing with Boston based dance company, Dance Currents Inc. Dance Currents gave her the opportunity to perform new works and historic repertoire by legendary choreographers such as Ruth St. Denis, Robert Battle, David Parsons, Jose Limon, Ted Shawn and Isadora Duncan. Although she still loves to choreograph and perform, her dedication has shifted to the incredible honor of training young dancers. Among all the wonderful teachers she has had throughout the years her biggest inspiration continues to be her very first teacher and Mother, Susan Case. Alison is honored and proud to be the Artistic Director of NESD&T and looks forward to working with her amazing team of staff and students each day.

# Welcome Family and Friends

It is our pleasure to welcome you to the New England School of Dance & Theater annual spring performance. Our dancers have worked extremely hard in their classes and we are proud to showcase the results!

To fully appreciate this performance and show respect for all dancers we ask you to review some simple show etiquette which will allow all audience members to stay immersed in the stories we're telling.

- Please stay seated during each dance. If you must leave the auditorium please do so **BETWEEN** dances
- **NO FLASH** photography, this is distracting to both the dancers and the audience
- **NO RECORDING**, as it is a distraction to both the dancers and the audience. A digital copy of the performance will be emailed following the production.

We would like to invite you to sit back, relax and enjoy the show.  
*As always, thank you for your support.*

You bring something so special to the stage every time you dance. Your joy, personality, and silly little expressions light up every performance and make people smile without even trying. You remind everyone watching that dance is supposed to be fun, and that kind of energy is such a gift! We are so proud of the kind, supportive teammate and sweet friend you are to everyone around you. You cheer others on, make people laugh, and bring your whole heart everywhere you go.
