## Try Something Fresh for 2022

At NESD we are extremely proud of the way our community pulled together to make the most of 2021 (and 2020 for that matter) to continue giving children the dance education, performance opportunities and personal development they deserve. With that said, we are also excited about the fresh start afforded by ringing in the new year. As you contemplate your New Year's Resolutions, consider how more movement and dance might benefit you and your children.

2022 could be the year you join Adult Ballet or Fitness not only for fitness and fun, but to gain a better understanding of the discipline and work your children commit to learning their technique each week. 2022 could be the year your dancer increases their class load to see greater improvement and perform more in the spring production! 2022 could be the year your child tries a brand new class - Ballet ***IS*** for everyone - just as learning the alphabet is important to becoming a reader, basic ballet technique is beneficial even to hip hop dancers, acrobats, Broadway artists and more. If your child has already discovered the beauty and benefits of ballet, they might consider branching out to add a new style - tap, jazz or **(NEW THIS SEASON)**

**Broadway!** Take one of the following steps:

1. Log into your Studio Director Account to peruse every class available to your child, based on age, and enroll automatically. Not seeing what you were looking for? E-mail us at [nesdoffice@gmail.com](mailto:nesdoffice@gmail.com) to check!
2. Email us with your specific interests and needs so we can guide you toward the best classes to add to your 2022 schedule - our staff loves making personal recommendations!
3. **Try A New Class Week** is Monday, January 10th - Saturday, January 15th. You're invited to try any class you'd like AND bring a new friend to dance with you!

---

- ★ Wednesday, June 8th - Spring Production Dress Rehearsal
- ★ Thursday, June 9th - Individual Photoshoots by appointment
- ★ Sunday, June 12th - Spring Production Show Day!

---

## Health & Safety Updates

*With Covid-19 cases still rising in our area we ask that all individuals ages 3 and older wear a well-fitting mask while at NESD. Teachers will be diligent about keeping students spaced 6 feet apart whenever possible and our staff will continue disinfecting our environment regularly. Our official Health & Safety policy will be updated on our website as soon as possible but in the meantime, we ask that our entire community help support our mission of providing high-quality in-person dance education this season. Please contact our staff at [nesdoffice@gmail.com](mailto:nesdoffice@gmail.com) if you have any questions or concerns.*
