# Our Mission

In 1986 New England School of Dance opened its doors in Goffstown, NH with a goal of bringing quality dance education & the joy of movement to local children. For 30 years, Founder, Susan Case shared her passion for teaching, creativity & knowledge with hundreds of students, providing them with the tools & encouragement to be their best as young, blossoming people & artists. In 2018 her daughter Alison Hart took over as Artistic Director. Alison strived to maintain the quality & values that NESD was founded on while evolving & creating new & exciting opportunities for NESD Students. In 2023 NESD expanded in order to further provide excellence in the performing arts with a new Theater Division and became New England School of Dance & Theater. NESD&T combines the worlds of dance education & theater offering the chance for young artists to broaden their horizons with an expanded curriculum and increase versatility, confidence & storytelling skills. With a rich history of passionate, college educated teachers, professional dancers, choreographers & wonderful families, NESD&T looks forward to a bright future!

## Levels & Training Tracks

Preschool - Ages 3-4

Primary - Ages 5-6

Elementary 1 & 2 - Ages 7-10

Intermediate 1 & 2 - Ages 10-13+

Advanced - Ages 13+

Students are placed in levels according to age & skill level. Most students will spend more than one year in any given class level at NESD&T. It will take time and effort for each student to gain a strong foundation & understanding of the curriculum in each level. While rate of progress does depend on the individual child, we take into account the following factors when considering whether or not a child would benefit from progressing to the next class:

- Growth Mindset and ability to apply constructive corrections
- Classroom etiquette, maturity and positivity
- Technical growth consistent with developmental expectations (based on our curriculum provided by American Ballet Theater and NESD&T Staff)
- Commitment, effort and evident improvement across class foundations in each genre
- Presentation (proper dress code, hair & overall pride in appearance)

*Our teaching staff is highly trained and always evaluating our students' placement and progress. Teachers will observe students closely within the first three weeks of classes and contact you in the event that a different level or class is recommended.*

## Passionate Track

### Ages 3-6

A passionate student takes 1-2 classes per week to experience the movement, rhythm & creative beauty of dance. These dancers will showcase what they've learned throughout the year in our annual Spring Production! Primary Level Ballet classes will also perform in our Nutcracker Production each December and are invited to audition for additional roles if they would like to perform in more than just their class dance.

### Ages 7+

Passionate students, ages 7+ will take 2-4 classes per week to develop a dance foundation while enjoying a variety of styles such as ballet, jazz, tap, musical theater, hip hop & modern. At least one ballet class is highly recommended for the student to learn body placement, alignment, musicality, balance, upper body carriage & more with the American Ballet Theater's National Training Curriculum. Elementary level ballet students will perform at least one class piece in our annual Nutcracker Production and are highly encouraged to audition for additional roles. Inter-Advanced level students are required to audition for Nutcracker casting. All Passionate students will also perform in our annual Spring Production!

# Performance Track

The NESD&T Performance Track is for dancers who are motivated to thrive in class & on stage! These students will take ballet & a variety of other classes designed to help them grow into strong, versatile artists! Performance Track students will audition for and perform in our annual Nutcracker & Spring Productions and are highly encouraged to audition for our Performing Company to represent NESD&T at local & national competitions & festivals.

## *Ages 5-8*

3+ classes (At least one ballet or ballet combo class)

## *Ages 8+*

5+ classes (At least one ballet class)

# Pre-Professional Track

## *Ages 7+*

A Pre-Professional student will be interested in training to prepare for a career in the field of dance & the performing arts. These students will take 6-10 hours per week, be a member of our Performing Company & schedule a weekly private lesson to strengthen & refine their technique, artistry & choreography for competitions & performances.

# Theater

Our Theater division combines the worlds of theater & dance education with classes in Musical Theater. Aspiring singers & actors will strengthen their versatility by adding dance to their repertoire. Dancers will broaden their horizons with an expanded curriculum featuring fundamentals of acting & singing. Through our dynamic and inclusive programming, along with our extensive knowledge in theater education & performance opportunities, dancers & actors alike will surely find that their creativity will flourish here at NESD&T!

# Dress Code

## Presentation In Classes:

Students should enter the classroom looking & feeling their best with pride in their appearance. Hair should always be neatly pulled back off of the face & eyes and pinned in a classical ballet bun to avoid distraction with movement. Please see the tutorial link below for easy instructions on how to prepare a ballet bun and have your dancer practice! Preschool & Primary students with hair too short to wrap in a bun may tie their hair into a ponytail!

- **Bun tutorial:** <https://www.youtube.com/watch?v=3yG7Hcozrf8>

Dancers will line up for class wearing their uniform (specified below) with a water bottle in hand. Dance bags & accessories should be left in the dressing room area along with jewelry, apple watches, etc.

## Pick up/ Drop off:

Parents should plan on bringing their child upstairs to NESD&T for their classes & returning to the lobby to pick them up whenever possible. Please plan to drop off or pick up no more than 15 minutes prior to the start and finish of their classes. If a longer drop off or pick up time is needed you may make arrangements with the office. Please be aware that we utilize these times for cleaning, office work ect. and/or may not be present earlier than 15 minutes prior to class to receive your child and we do not want them waiting in the hallway alone. If your student has classes in our new studios D or E please have them check in at our main office prior to their class. Please contact us with questions or concerns regarding this.

## Updated Inclement Weather Policy:

- NESD&T will inform all families by 1:00pm via email if we decide to cancel classes due to inclement weather. Makeup classes & or additional class options will be listed in the email. We kindly ask that students and families do not contact faculty members regarding cancellations but email nesdoffice@gmail.com with any questions after the 1:00 pm announcement.
- In the case that snow begins to accumulate quickly after 1:00pm we will make a decision and email as soon as possible before classes begin.
- If snow begins suddenly in the late afternoon or evening after classes have started and we need to make a decision to end classes early we will call and email families of students who are at the studio. If classes end early, students who drive themselves home should also consult with their parents to decide whether it is safe to drive or if pick up arrangements should be made and communicate the plan to the office. As always, parents are welcome to call the office with questions or concerns!

## Health & Wellness:

- All students and parents are encouraged to sanitize their hands upon entry to help avoid the spread of germs & illness.
- In the event that you are exposed to COVID-19 or other highly contagious illness we ask that you wear a mask and follow CDC recommendations. In the event that you test positive for COVID-19 or the flu we ask that you stay home until you test negative and/or all symptoms have subsided.
- NESD&T will continue to maintain a clean and safe facility for families and we ask that you keep the goals of our community in mind while deciding whether your child is well enough to participate in classes.

- **Mark your calendar for our 2025 Summer Intensive - June 23rd - 27th**

### **Requirements / Recommendations:**

Dancers may be placed in one of our four performing companies by our staff based on ability, age, leadership skills, and more. While most dancers will be chosen for the company within their age bracket, it has happened in the past that dancers are a better fit for another company; in this event we would work with your family to adjust requirements accordingly. **Should your child express an interest in auditioning for our performing company please email [nesdcompanymanager@gmail.com](mailto:nesdcompanymanager@gmail.com) for more information.**
