Preparing for Mary Poppins

Performances Saturday, June 3rd at 1 PM & 5 PM

All NESD Students enrolled in a class will perform in our spring production! Performance tights are ordered through our studio office to ensure that all dancers' look uniform on stage in high quality dancewear; order forms were emailed to all and are due by 4/11.

Dancers are already hard at work on their choreography in classes and we encourage them to review this at home on free nights. *You can join our 'Mary Poppins Classes' group on BAND - The app for groups and communities!*

Additionally, familiarizing themselves with the story of Mary Poppins will help them better understand their characters and the roles they'll be portraying.

Tickets went on sale Friday, March 3rd. If you have not yet purchased your tickets we encourage you to reserve seats for your family and friends today!

A Note for Families Utilizing the Waiting Room & Dressing Room

We have added a children's drawing table to the lobby waiting room and hope this will make waiting for older siblings a bit easier on families with young siblings. Please be mindful of tidying up the space your family has used prior to leaving for the night.

Why should your child take more dance classes?

NESD takes great pride in developing an excellent curriculum and lessons that prepares students for their futures, whether that will formally include dance beyond high school or not. All of our dance classes benefit our students well beyond the balance and flexibility at the barre.

When you enroll your child, you're signing them up to:

- 👣 Advance their imaginative storytelling & literacy skills
- 👣 Build their motor skills, coordination, strength & body awareness
- 👣 Join a community of friends and mentors for them to grow with
- 👣 Develop their musicality and appreciation for the arts

What has dance done for your child? What can more dance do for them next season? Our 23-24 schedule will be released as soon as possible but please contact nesdoffice@gmail.com if you're interested in supplementing with private lessons this summer!

Dance with your heart and your feet will follow!
