Private Lessons & Pick up/ Drop off:

- Fees for private lessons etc. will be paid only to NESD and not the teacher directly. Lessons must take place at NESD only. Arrangements for rehearsals, private lessons and studio time must be booked through the office.
- Parents should plan on dropping off and picking up their child no more than 15 minutes prior to the start and finish of their classes. If a longer drop off or pick up time is needed you may make arrangements with the office. Please be aware that we utilize these times for cleaning and may not be present earlier than 15 minutes prior to class to receive your child and we do not want them waiting in the hallway alone. Please contact us with questions or concerns regarding this.

Updated Inclement Weather Policy

- NESD will inform all families by 1:00pm if we decide to cancel classes due to inclement weather. The email will specify if classes that day will be offered remotely via Zoom or if there will be a snow day. If we feel a snow day is necessary, makeup class options will be listed in the email as well. We kindly ask that students and families do not contact faculty members regarding cancellations but email nesdoffice@gmail.com with any questions after the 1:00pm announcement.
- In the case that snow begins to accumulate quickly after 1:00pm we will make a decision and email as soon as possible before classes begin.
- If snow begins suddenly in the late afternoon or evening after classes have started and we need to make a decision to end classes early we will call and email families of students who are at the studio. If classes end early, students who drive themselves home should also consult with their parents to decide whether it is safe to drive or if pick up arrangements should be made and communicate the plan to the

office. As always, parents are welcome to call the office with questions or concerns!

COVID-19 Policies

- We anticipate that masks will continue to be optional for the 2022/2023 season. In the event that new strains change the ever-evolving pandemic situation, we reserve the right to respond to a significant rise in case numbers by recommending, highly recommending or requiring masks in the event of exposure.
- All students and parents are encouraged to sanitize their hands upon entry.
- NESD will continue to maintain a clean and safe facility for families and we ask that you keep the goals of our community in mind while navigating life in this ever-changing situation.
- In the event that you are exposed to COVID-19 we ask that you wear a mask and maintain distance for five days within NESD. If you have a household exposure we ask that you present a negative test (taken between 3-5 days of your family member's positive test) in order to return to the studio.
