

“Cinderella in the City”

Thursday June 9th, 2022 - Theater Dress Rehearsal

What to wear & bring to the Dana Center:

- Arrive wearing your nude leotard, tights & hair accessory for your first costume under warm-up clothing with hair in bun style specified in the performance guide.
- Bring all CITC costumes with accessories, labeled and on hangers. A clearly labeled garment bag is extremely helpful to volunteers and dancers backstage.
- All necessary dance shoes, a water bottle, and extra bobby pins for headpieces in their bag.
- Stage makeup should be worn for this rehearsal since group photos will be taken.
- No nail polish or jewelry!
- Dancers who are scheduled for longer than two hours should bring healthy, dry snacks & a large cover-up (with zipper or button-up closure) to ensure that no food gets on your costume.

Check In/Check out:

This is a closed rehearsal. Parents and dancers, please check your dancer in at the check in/out table located in the lobby of the Dana Center no earlier or later than their check in time listed in the schedule below.

Check in times are scheduled to allow just enough time for your child to settle into their dressing room, get into costume, warm-up & get backstage on time with their group. Our volunteers take excellent care of the children and make every effort to make this experience run smoothly. In order to help us achieve this, we ask that you arrive no earlier or later than the check in time with your child's hair & makeup completed & their belongings/costumes as organized as possible!

Children should be picked up at the check out times, also listed in the below schedule. We do try our very best to run rehearsals in a timely manner & your child's safety & preparedness is our top priority. There are many technical aspects to this rehearsal that need attention and we thank you in advance for your patience!

Please note:

- If you arrive to check in at a time other than those listed in the schedule below, there may not be a representative at the Check in/out table.
- Pre-School, Primary & Pre-Elementary class dances are listed in “actual show order” in the schedule below for organizational purposes but are scheduled to rehearse in a more condensed time frame for dress rehearsal to ensure that these young children do not have to stay too late.

We look forward to sharing the final product with you at 2 PM on Sunday, June 12th!
