## Pick up/ Drop off

Parents should plan on bringing their child upstairs to NESD for their classes & returning to the lobby to pick them up whenever possible. Please plan to drop off or pick up no more than 15 minutes prior to the start and finish of their classes. If a longer drop off or pick up time is needed you may make arrangements with the office. Please be aware that we utilize these times for cleaning, office work ect. and/or may not be present earlier than 15 minutes prior to class to receive your child and we do not want them waiting in the hallway alone. **If your student has classes in our new studios D or E please have them check in at our main office prior to their class.** Please contact us with questions or concerns regarding this.

## Updated Inclement Weather Policy

- NESD will inform all families by 1:00pm via email if we decide to cancel classes due to inclement weather. Makeup classes & or additional class options will be listed in the email. We kindly ask that students and families do not contact faculty members regarding cancellations but email [nesdoffice@gmail.com](mailto:nesdoffice@gmail.com) with any questions after the 1:00 pm announcement.
- In the case that snow begins to accumulate quickly after 1:00pm we will make a decision and email as soon as possible before classes begin.
- If snow begins suddenly in the late afternoon or evening after classes have started and we need to make a decision to end classes early we will call and email families of students who are at the studio. If classes end early, students who drive themselves home should also consult with their parents to decide whether it is safe to drive or if pick up arrangements should be made and communicate the plan to the office. As always, parents are welcome to call the office with questions or concerns!

## COVID-19 Policies

- All students and parents are encouraged to sanitize their hands upon entry to help avoid the spread of germs & illness.

- NESD will continue to maintain a clean and safe facility for families and we ask that you keep the goals of our community in mind while navigating life in this ever-changing situation.
- In the event that you are exposed to COVID-19 we ask that you wear a mask and follow CDC recommendations.

In the event that you test positive for COVID-19 we ask that you stay home until you test negative & all symptoms are gone
